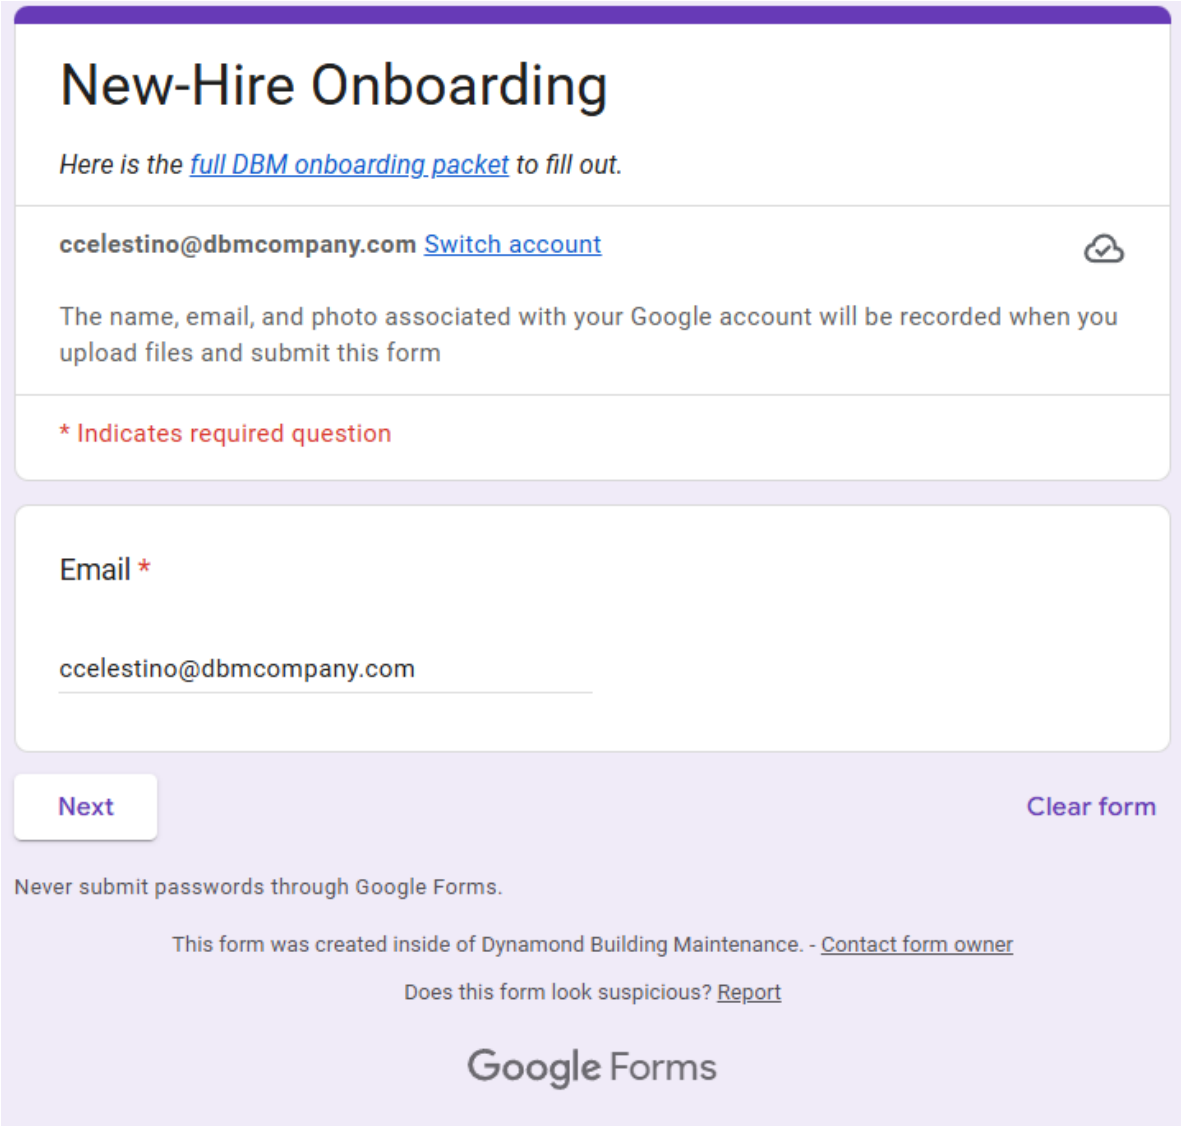
Form I-9 Edition 01/20/25 Page 1 of 4

After the Hiring Manager finishes filling out his part of the I-9, he downloads it and submits it for onboarding via Google Form along with all other New Hire's Onboarding Packet documents. Our goal is to add a button through which the Hiring Manager will be able to run an automated audit of the I-9 BEFORE he submits the entire packet to Payroll for Onboarding into ADP WorkForceNow.

The Google Form has three pages:

1) **Page 1 is introductory;**



2) **Page 2 is the main page for the attachment of all required documentation (not just I-9) but also entering basic New Hire Information (i.e., name, address, etc) – see attached picture.**

The goal is to insert a button on page 2 where the manager, after having uploaded the I-9 form (already filled out by the employee and himself) will submit the I-9 for an AI-Based Self-Audit.
